### III- Put "a" or "an" where necessary

Once, there was        old man who lived in        hut on        hill. The man got his water from stream flowing down the slope. The water was cool and enjoyable. One day he took old jug and        axe and went to the top of the hill. There he saw        elephant and        owl drinking from the stream. There was also        bird and        toad hopping at the bank.
