NAZARETH

WEEK 1	COMPETENCES	OBJECTIVE	QUESTIONS
	Competence 1	1)Distinguish between common nouns and proper nouns 2) understand family members	1)classify the following words under common or proper nouns Name the different members of the family
	Competence 2	Distinguish between Equal sets and Equivalent sets Understand the four mathematical operations well List the different parts of the body Locate places at home	Say whether the following sets are equal or equivalent a)A(23456) _ B(34526) b)A (4358) _ B(9807) SOLVE THE FOLLOWING OPERATIONS 5+5 9-6 2/7 8x7 Write down 5 parts of the body you know. Name the different parts of a house
	Competence 3	Define geography and give the reasons why we study geography Describe the different types of history	What is geography? Why do we study geography? What is history? State 2 types of history
	Competence 4	Produce agricultural tools and use	Name 5 agricultural tools you know
	Competence 5	Identify ICT devices that require software to function	Name 4 ICT devices that permits you to communicate
	Competence 6	Distinguish between modern and traditional music instruments	Arrange the following instruments under "MODERN" or "TRADITIONAL "music instrument Electric guitar, xylophone, Gong, band, drum, flute, trumpet.

WEEK 2	COMPETENCES	OBJECTIVE	QUESTION
	Competence 1	Use the simple present tense	CHOOSE THE CORRECT WORD TO COMPLETE THE SENTENCES IN THE SIMPLE PRESENT TENSE 1-Dad (goes/go) to work everyday 2-Mom (cooks/cook) food everyday 3-They (plays/play) in school every morning
	Competence 2	Describe intersection and solve problems Distinguish Equal sets and Equivalent sets Understand the four mathematical operations well	Here are some sets H=(2,3,5,7,9) G=(1,3,5,7,9) M=(2,4,6,8,10) Find the elements of the following sets 1-GnH 2- HnM 3-GnM SAY WHETHER THIS GROUPS OF SETS ARE EQUAL OR EQUIVALENT 1)A=(a, b, c, d, e) and B=(2, 3, 4, 5, 6) 2)G=(2,4,6,8,10) and H=(10,6,4,2,8) SOLVE THE FOLLOWING OPERATION 10+15 14+12 9+12 15-10 20-12 16-5 2X2 2X4 2X7
	Competence 3	identify the weather instruments and their use	MATCH THE DIFFERENT INSTRUMENTS TO THEIR CORRECT USE Wind vane rain fall Rain gauge temperature Thermometer air pressure Anemometer wind speed Barometer wind direction
	Competence 4	Describe how to care for the different parts of the home	List 2 things you do in each part of your home to keep it clean
	Competence 5	Determine the importance of ICT tools to the society	State the importance of ICT tools in the society
	Competence 6	Identify the different painting materials	Name four painting materials

WEEK 3	COMPETENCES	OBJECTIVES	QUESTIONS
	Competence 1	<p>Identify synonyms</p> <p>Identify plural of nouns</p> <p>Use definite and indefinite articles</p> <p>Build words with sound "ei" and "ie"</p> <p>Explain the use of each section of the home</p>	<p>CHOOSE THE CORRECT WORD TO FILL THE BLANC SPACE</p> <p>1-The (goat/got) is crying 2-Fishes live in the(see/sea) 3-the (sun/son) is shining</p> <p>WRITE THE PLURAL OF THE FOLLOWING NOUNS</p> <p>1-BOOK 2-BOY 3-FATHER 4-ANIMAL</p> <p>FILL THE BLANC SPACES WITH EITHER "THE", "A" and "AND"</p> <p>1- He is looking at sun 2- That is egg on the floor 3- He is eating.....banana</p> <p>Build 5 words with each of the following sounds "ei" and "ie"</p> <p>State two uses of each part of the home to us</p>
	Competence 2	<p>Use intersection to solve problems</p> <p>Differentiate between sets, subsets</p> <p>Place numbers under TH, H, T, U and Carry out addition under place value without carrying</p> <p>Classify diseases according to their</p>	<p>Read and write the intersection of the following sets M=(book ,pen, rule, paper) N=(pen pencil, paper) G=(domestic animals) F=(lion, hen ,dog tiger) Find MnN and GnF</p> <p>SAY WHETHER THE FOLLOWING SETS ARE SUBSETS OR NOT</p> <p>1-A=(vowel sounds) B=(a ,e, l, o, u) 2-Z=(Even numbers) X=(1,2,3,5,7)</p> <p>Place the following numbers under their place values and add</p> <p>1- 346+221 2- 1334+2225 3- 345+233 4- 2435+3464</p> <p>Fill the blank space for type of each diseases to its</p>

		<p>mode of transmission</p> <p>Differentiate between manual and electronic machines found in the locality</p>	<p>correct ways of transmission</p> <p>1-air borne</p> <p>2-water borne.....</p> <p>3-insect borne.....</p> <p>4-animal borne.....</p> <p>5-Sexually transmitted.....</p> <p>Classify the following machines under their correct type "manual or electronic machines"</p> <p>Computer, television, scissors, grinding machine, sewing machine, fan, radio gas, cooker, camera,</p>
	Competence 3	<p>State the qualities of good water and identify the sources of water</p> <p>Explain the rights and duties of a child</p>	<p>1-state three qualities of good water</p> <p>2-list three sources of water</p> <p>1-state three rights and three duties of a child</p>
	Competence 4	Keep the environment clean	List three things you should do to keep your environment clean
	Competence 5	State the benefits of ICT tools	List 5 advantages of ICT tool
	Competence 6	Distinguish between modern and traditional tools	List 2 modern and 2 traditional instruments of music

MONTH OF NOVEMBER 2020 THE VILLAGE AND TOWN

WEEK 1	COMPETENCES	OBJECTIVES	QUESTIONS
	COMPETENCE 1	<p>Write plural of nouns</p> <p>Identify countable and uncountable nouns</p>	<p>WRITE THE PLURAL OF THE FOLLOWING NOUNS</p> <p>1-CITY</p> <p>2-FLY</p> <p>3-CHIEF</p> <p>4-PRESIDENT</p> <p>5-SCHOOL</p> <p>UNDERLINE ONLY THE UNCOUNTABLE NOUNS AMONGST THE FOLLOWING NOUNS</p> <p>Water, sky, pens, book, moon, oil, smoke, rulers, televisions, air.</p>

		<p>Use prepositions</p> <p>Build words with the sound "ame"</p> <p>Explain the use of each section of the house</p>	<p>Fill the blank spaces with the correct prepositions</p> <p>1-I (drive) in the rain</p> <p>2-we(clean) the classroom</p> <p>3-they(catch) a cold</p> <p>4-he (play) foot ball</p> <p>Build 5 words with sound "ame"</p> <p>State two uses of each part of the home to us</p>
	COMPETENCE 2	<p>Understand the four mathematical operations well</p> <p>Differentiate between living and nonliving things</p> <p>Describe construction materials</p>	<p>SOLVE THE FOLLOWING OPERATION</p> <p>28+13 27+18 50+25</p> <p>54-12 23-10 30-15</p> <p>5X6 4X5 5X3</p> <p>CLASSIFYBTHE FOLLOWING THINGS UNDER LIVING OR NOT LIVING</p> <p>Human, book ,lion , tiger, school, house, plant ,Toilet, giraffe</p> <p>State three construction materials and say one use for each</p>
	COMPETENCE 3	<p>State the use of water and how to purify water</p> <p>State and explain the importance of national emblems</p>	<p>1-State 5 use of water to nature</p> <p>2-list 3 ways by which water can be purified</p> <p>1-State the national emblems of your country</p> <p>2-give two reasons why this emblems are important</p>
	COMPETENCE 4	<p>Identify animals and their different feedings</p>	<p>MATCH THE FOLLOWING ANIMALS TO THEIR CORRECT FEEDING DIET</p>

		<p>LION grass</p> <p>GOAT everything</p> <p>MAN meat</p>	<p>State equipments used in needle work</p> <p>Know the means of food conservation</p>	<p>List 3 materials used in needle work</p> <p>State two ways by which you can conserve food</p>
	COMPETENCE 5	List the dangers of ICT tools		State 3 disadvantages of ICT tools
	COMPETENCE 6	Describe the importance of and architect and state the materials used by and architect		<p>Give two importance of an architect</p> <p>List 5 materials used by an architect</p>

WEEK 2	COMPETENCES	OBJECTIVE	QUESTIONS
	COMPETENCE 1	<p>Use the future continuous tense</p> <p>Build words with "oa" and "or"</p> <p>Name some particular objects use in the different section of the house</p>	<p>Fill the blank spaces with the correct form of the word in the future continuous tense</p> <p>1-</p> <p>2-</p> <p>3-</p> <p>4-</p> <p>Write 5 words for each of the following sounds "oa" and "or"</p> <p>LIST 4 PARTICULAR OBJECTS WE FOUND IN EACH PART OF THE HOME</p>
	COMPETENCE 2	<p>Read and write numbers up to 2000</p> <p>Write odd, even and prime numbers up to 1000</p> <p>Define bones and say</p>	<p>READ AND WRITE THE FOLLOWING NUMBERS IN WORDS</p> <p>1500,510,1550,2000,990</p> <p>WRITE DOWN 5 OF EACH OF THE FOLLOWING NUMBERS</p> <p>EVEN NUMBERS greater than 50</p> <p>ODD NUMBERS greater than 50</p> <p>PRIME NUMBERS greater than 20</p> <p>1-What is a bone?</p>

		<p>how to maintain strong bones</p> <p>Describe the different habitats of animals</p> <p>Identify different electric devices</p>	<p>2-What can we do to keep our bones strong?</p> <p>MATCH THE FOLLOWING ANIMALS TO THEIR CORRESPONDING HABITATS</p> <p>Fish desert Monkey ocean Donkey forest</p> <p>Name and give the use of 5 electric devices you know</p>
	COMPETENCE 3	<p>Identify the different types of vegetation in Cameroon</p> <p>Identify the first grouping that first occupied Cameroon</p> <p>Demonstrate appropriate position when the flag is hoisted and the anthem is sung</p>	<p>State three types of vegetation found in your country Cameroon</p> <p>Who were the first people to come to Cameroon</p> <p>List the things everybody has to do when hoisting the flag and during the singing of the national anthem</p>
	COMPETENCE 4	State rules when on the eating table	List 3 rules when on the eating table
	COMPETENCE 5	Trace the evolution of computers	Write down the evolution of computers from the latest to the earliest
	COMPETENCE 6	READ SHORT BOOKS	

WEEK 3	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	<p>Conjugate the verb to be in the present tense</p> <p>Identify positive and negative sentences</p> <p>Build words with sound "spr"</p>	<p>Conjugate the verb to be in the simple present tense</p> <p>Say whether the following sentences are positive or negative</p> <p>Marry is eating in the kitchen</p> <p>Dan is not lying to his mother</p> <p>Peter is not sick</p> <p>Form words with sound "spr"</p>
	COMPETENCE 2	Read sets from a Venn	

		<p>diagram</p> <p>Convert measurements from meters to decimeters and vice versa</p> <p>Say how to care of the reproductive system</p> <p>Say how to protect the environment</p>	<p>Look at the following lengths in dm convert them to meters</p> <p>1- 20 dm 2- 34 dm 3- 400 dm 4- 1265 dm 5- 216 dm</p> <p>What should you do to care for your reproductive system</p> <p>State 3 things to do to protect your environment</p>
	COMPETENCE 3	<p>Explain the characteristics of various clouds</p> <p>Identify state and local authorities</p>	<p>Names 3 types of clouds and give one of its characteristic</p> <p>Name 2 state and 2 local authorities in your country Cameroon</p>
	COMPETENCE 4	<p>Care for laundry equipments</p> <p>Identify painting materials</p>	<p>Name 5 equipments you use during laundry</p> <p>List 5 materials used for painting</p>
	COMPETENCE 5	<p>State the security measures when in front of a computer</p>	<p>List 5 security measures to take into consideration when in front of a computer</p>
	COMPETENCE 6		

MONTH OF DECEMBER 2020 THE SCHOOL

WEEK 1	COMPETENCES	OBJECTIVE	QUESTION															
	COMPETENCE 1	<p>Use the comparative and the superlative</p> <p>Build a descriptive paragraph</p> <p>Build words with</p>	<p>Complete the table with the correct form of the adjective</p> <table border="1"> <thead> <tr> <th>Adjective</th> <th>comparative</th> <th>Superlative</th> </tr> </thead> <tbody> <tr> <td>big</td> <td></td> <td></td> </tr> <tr> <td></td> <td>smaller</td> <td></td> </tr> <tr> <td></td> <td></td> <td>largest</td> </tr> <tr> <td></td> <td>thinner</td> <td></td> </tr> </tbody> </table> <p>Describe your school in one paragraph</p> <p>BUILD 5 WORDS WITH THE SOUND "str"</p>	Adjective	comparative	Superlative	big				smaller				largest		thinner	
Adjective	comparative	Superlative																
big																		
	smaller																	
		largest																
	thinner																	

		“str” Spell some familiar objects found in the school environment	List 10 objects found in your school environment
	COMPETENCE 2	Recognise and name shapes Understanding the different types of germs	WRITE THE NAME OF THE SHAPE CORRESPONDING TO THE NUMBER OF SIDES 1- 3 side 2- 4 sides 3- 5 sides 4- 6 side 5- 8 sides Name types of germs you know and how they enter the body
	COMPETENCE 3	Describe the living of the early man Describe the importance of the forest, causes and effects of deforestation	1-Name 2 tools of the early man 2-What food did they eat? 3-what clothes did they put on? 4-Where did they live? 1-Name 3 importance of the forest 2-What is deforestation? 3- 2 causes and three consequences of deforestation
	COMPETENCE 4	Say the different types of meals Know the different types of seeds	List the different types of meals and precise the period of the day for each State two types of seeds and state one characteristic of each
	COMPETENCE 5	Say how to create open and transfer files	Describe in a paragraph how to create and transfer a file
	COMPETENCE 6		

WEEK 2	COMPETENCES	OBJECTIVES	QUESTIONS															
	COMPETENCE 1	Use the comparative and superlative form of adjectives Build a paragraph Build words using the sounds “dle”	Complete the table with the correct form of the adjective <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th>Adjective</th> <th>comparative</th> <th>superlative</th> </tr> </thead> <tbody> <tr> <td></td> <td>Better</td> <td></td> </tr> <tr> <td>Bad</td> <td></td> <td></td> </tr> <tr> <td></td> <td>More</td> <td></td> </tr> <tr> <td></td> <td></td> <td>The least</td> </tr> </tbody> </table> Write in one paragraph what you do in the morning before coming to school Build 5 words each with the sounds “dle” and “tle”	Adjective	comparative	superlative		Better		Bad				More				The least
Adjective	comparative	superlative																
	Better																	
Bad																		
	More																	
		The least																

		and "tle"	
	COMPETENCE 2	Use mathematical symbols to solve problems Describe the safety measures to be taken while installing electricity devices Differentiate the different types of birds Say how to prevent germs	You buy 5 red pens and 9 pencils. How many things did you buy? Dan has 6 books, 3 blue pens, and 3 red pens, 2 pencils in his bag. How many items are found in Dan's bag? State the measure to take when installing and electric device CLASSIFY THE FOLLOWING BIRDS DEPENDING ON IF THE FLY OR NOT Duck, pigeon, ostrich fowl, parrot, eagle, peacock List 5 ways by which we can prevent germs from entering our body
	COMPETENCE 3	Understand the movements of people from one place to another Explain the administrative set up of a village and the town	What is migration Why do people migrate Who is at the head of the 1-village 2-town
	COMPETENCE 4	Develop a spirit of subsistence farming on crops and animal Know the different types of meals	What is subsistence farming State 3 ways by which subsistence farming can be carried out State the different types of meals and say their period taken during the day
	COMPETENCE 5	Create, open, transfer and keep files	Describe in a paragraph how to create and keep a file in a computer
	COMPETENCE 6		

WEEK 3	COMPETENCES	OBJECTIVE	QUESTIONS
	COMPETENCE 1	Change present tense to future tense Use conjunctions	Write this sentences to the future tense 1-we go to church by car 2-he walks home 3-I eat in the morning 4-I visit my mom on Saturday 5-He drives a car to school Copy and complete the

		<p>Identify antonyms</p> <p>Describe rituals in a community</p>	<p>following sentences with the conjunctions “And, but, also ,although ,if, or ,when”</p> <p>1-I eat lots of fruits Vegetables</p> <p>2-I ate carbohydrateshave no angry</p> <p>3-would you like fishChicken for dinner?</p> <p>4-.....he was ill ,he never complained</p> <p>Write the antonyms of the following words</p> <p>1-up 2-behind 3-go 4-left 5-boy</p>
<p>S A I N T E</p>	<p>COMPETENCE 2</p>	<p>Find intersection and unions of sets</p> <p>Carry out subtraction without carrying</p>	<p>Here are some sets. copy and determine the intersection and unions of the sets</p> <p>A=(cat dog pig goat cow) B=(Tiger elephant lion eagle) C=(elephant goat cow antelope) D=(dog cat crocodile lion leopard)</p> <p>Find AuB AnC BuC AnD BnC</p> <p>READ AND SUBTRACT THE FOLLOWING NUMBERS UNDER PLACE VALUE</p> <p>1- 8998-356 2- 786-453 3- 6797-5665</p>

		<p>Relate days of the week and months of the year to different activities</p> <p>Characteristics of living and non- living things</p> <p>Demonstrate ways of preventing diseases</p>	<p>4- 555-454</p> <p>How many days are there in a week? How many weeks are there in a month? How many months are there in a year? When is Christmas? In which month do we celebrate unification of Cameroon?</p> <p>State 5 characteristics of living things and non-living things</p> <p>State 3 things we should do to prevent diseases</p>
	COMPETENCE 3	Identify different types of soils	Name 4 types of soil and circle the best soil for agriculture
	COMPETENCE 4	<p>Describe how to sew using running stitch</p> <p>Enrich soil to boost plant growth</p>	<p>Describe in one paragraph how to sew using running stitch</p> <p>State 3 ways we can use to boost soil fertility</p>
	COMPETENCE 5	Type text and save them	Describe in one paragraph the steps used to save a text documents on a computer
	COMPETENCE 6		

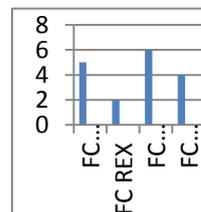

MONTH OF JANUARY 2020 OCCUPATIONS

WEEK 1	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	<p>Prefixes and their roots</p> <p>Identify antonyms words</p>	<p>Add a prefix to each the following words to make it opposite</p> <ol style="list-style-type: none"> 1- Possible 2- Do 3- Obey 4- Kind 5- sufficient <p>Write the antonyms of the following words</p> <ol style="list-style-type: none"> 1-good 2-urgly 3-big

		<p>Build words with the sounds "th", "kn", "wh"</p> <p>Describe past events in one paragraph using the simple past tense</p>	<p>4-many 5-healthy</p> <p>Build 5 words with the sounds "th", "kn", "wh"</p> <p>Write a story of one paragraph of what you did yesterday as you went back home</p>
	COMPETENCE 2	<p>Name the types of fraction</p> <p>Add fraction with the same denominators</p> <p>Identify the different angles</p> <p>Describe plumbing materials</p> <p>Understanding contagious diseases</p> <p>State environmental hazards in the society</p>	<p>Name the types of fractions you know and give 1 example for each</p> <p>Solve the following operations 1- 3</p> <p><u>ANSWER THE FOLLOWING QUESTIONS ON ANGLES</u></p> <p>1-When an angle is equal to 90 degrees it is called? 2-When an angle is greater than 90 degrees it is called? 3-When angle is less than 90 degrees it is called?</p> <p>State and give the use of 5 materials used for plumbing</p> <p>What is a contagious disease? Name two contagious diseases</p> <p>List 3 environmental hazards common to your country</p>
	COMPETENCE 3	<p>Understand migration</p> <p>Know national feast days in Cameroon</p>	<p>What is migration? Why do people migrate?</p> <p>List 3 national feast days of your country Cameroon and give the date when they are</p>

			celebrated
	COMPETENCE 4	Understanding table manners Imbalance diet Develop skills of taking special care of animals	List 3 manners you should practice when on the eating table List 3 meals that can permit you to avoid and imbalance diet List two things you have to do to take care of an animals
	COMPETENCE 5	Treat text : change font text	Describe in one paragraph how to change the front size of a text
	COMPETENCE 6		

WEEK 2	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	Suffixes of words Build words with the sound "ch" Show love to national languages	Build 5 words using with sound "ch" List four national languages of Cameroon
	COMPETENCE 2	Multiplication with one digit numbers Read time in minutes and hours Read and interpret relationships on graph	Multiply the following figures 1- 2x5 5- 6x4 2- 3x5 6- 7x5 3- 4x4 7- 9x4 4- 5x5 8- 8x4 OBSERVE AND ANSWER THE QUESTION ON THE GRAPH 1-which team scored the highest number of goals? 2-which team scored the list number of goals 3-what is the total amount of goals scored by all the teams?
	COMPETENCE 2B	Use tap and water	List 5 things you have to do

		<p>system toilets</p> <p>Understanding measure to prevent contagious diseases</p> <p>Explain the importance of food</p>	<p>when using a tap and water system toilet</p> <p>Write down 4 measures we can use to prevent contagious diseases</p> <p>What is food? State 3 importance of food</p>
	COMPETENCE 3	<p>Identify Europeans who came to Cameroon</p> <p>Reasons for European penetration in Cameroon</p> <p>The different types of schools</p>	<p>Who were the first Europeans to come to Cameroon? How did they call Cameroon? Who were the first colonial masters of Cameroon and how did they call it?</p> <p>List 5 reasons for the European penetration in Cameroon</p> <p>Name two types of schools you know</p>
	COMPETENCE 4	<p>Cash crops and protection</p> <p>Effects of imbalance diet</p>	<p>What are cash crops? Name 5 cash crops you know</p> <p>Write down 4 consequences of an imbalance diet</p>
	COMPETENCE 5	Treat texts; change text color and underline a word	In one paragraph describe the process used to change the color of a text
	COMPETENCE 5		

WEEK 3	COMPETENCES	OBJECTIVE	QUESTIONS
	COMPETENCE 1	Use demonstrative pronouns	<p>Choose the correct demonstrative pronoun to complete each sentence</p> <p>1-(that/these) is rubbish</p> <p>2-(those/this) are our pens</p> <p>3-(this/these) are our cars</p> <p>4-(those/that) are my mom's shoes</p>

		<p>Use present perfect tense</p> <p>Direct and indirect speech</p> <p>Build words with sound "sh"</p> <p>Compare the various activities of different occupations</p>	<p>Write the words in brackets in the present perfect tense</p> <p>1- he(to eat) rice and beans</p> <p>2-we (to go) to church</p> <p>3 they (to copy) their notes</p> <p>Write the sentences below in indirect speech</p> <p>1-john said," I am hungry."</p> <p>2-yan said, "look at the board."</p> <p>Build 5 words with sound "sh"</p> <p>List 4 occupations and describe their activities</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">G S S B S A I N T E</p>	<p>COMPETENCE 2</p>	<p>Convert time from minutes to hours</p> <p>Multiply and divide money</p> <p>Solve problems involving 3 and 4 sides shapes</p> <p>Identify the various tools use in fishing</p> <p>Understanding the different classes of food</p>	<p>Convert the following from minutes to hour</p> <p>1- 60 mins</p> <p>2- 180 mins</p> <p>3- 160 mins</p> <p>4- 360 mins</p> <p>5- 460 mins</p> <p>solve the following problems</p> <p>1-a man has 3 sons and he gives 200frs to each of his sons, how much did she spend?</p> <p>2-john has 600frs and he has to share between 5 people how much will each person get?</p> <p>List 4 tools use by a fisher man</p> <p>Write down the class of food to which the following foods belong Pork, beans, water,</p>

			meat, garrhi
	COMPETENCE 3	Define soil erosion and causes Know safety rules to follow on the high way	What is soil erosion? State 3 causes of soil erosion Write down 3 safety rules to respect on the high way
	COMPETENCE 4	State measures to be taken to prevent imbalance diet Identify classes of food and sources	State 3 things you can do to avoid a balance diet Write 3 foods belonging to each of the following classes of food 1-proteins 2-minerals 3-carbohydraes 4-fats and oil
	COMPETENCE 5	Identify and use the function of copy and paste import	Write down the function of the copy and paste option
	COMPETENCE 6		

MONTH OF FEBUARY 2020 TRAVELLING

WEEK 1	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	Use possessive pronouns Build words with sound "ear" Identify activities in town	Copy and complete the sentences with either "yours, hers theirs, his ours ,mine" 1-I have an egg.it is 2-you have a bag. The bag is 3-they have a car. The car is 4-we have a house. The house is 5-He has a pen. Then pen is Build 5 words with the sound "ear" State 4 activities common in town
	COMPETENCE 2	Carry out calculations involving more than one operation in the same expression	Solve the following problems 1- 250+50-100 2- 500-400+50 3- 53-13+23

		<p>Collect statistical data from the class</p> <p>Union of sets</p> <p>Understanding the different hazards in the locality</p> <p>Associated food and their cooking methods</p>	<p>Draw a table containing the number of girls and boys in your class and the total number of students</p> <p>Here are some sets ,find their unions</p> <p>A=(January February June December) B=(October match April may July) C=(august September November)</p> <p>Find AUB BUC AUBUC</p> <p>NAME 3 NATURAL HAZARDS THAT OCCURED IN YOUR COUNTRY</p> <p>Match the following methods of cooking to their corresponding types</p> <p>Boiling spaghetti Baking plums Roasting cake Steaming egusi Frying plantains</p>
	COMPETENCE 3	<p>Identify the different religion movements in Cameroon</p> <p>Negotiate peace</p>	<p>Name 2 religion movements that occurred in Cameron</p> <p>Say 4 importance of negotiating peace between countries and people</p>
	COMPETENCE 4	<p>Function of food to the body</p> <p>Cooking methods</p>	<p>List four importance of food to the body</p> <p>State 5 ways by which food preparation can be done and list one for food belonging to each method</p>
	COMPETENCE 5	<p>Finding information in a storage device</p>	<p>Describe in one paragraph how to search information on a computer</p>

	COMPETENCE 6		
--	--------------	--	--

WEEK 2	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	<p>Use question words</p> <p>Sound "ou" and "ow"</p> <p>Justify a particular means of traveling</p>	<p>Copy and complete with "what, where, why, when, who which and how"</p> <p>1-.....are our rights? 2-.....do we have rights? 3-.....is the hospital found? 4-.....is the person at the door?</p> <p>Build 5 words with the sounds "ou" and "ow"</p> <p>Say your best means of transport and why you prefer it</p>
	COMPETENCE 2	<p>Share items correctly</p> <p>Parallel lines</p> <p>Keep the immediate environment clean</p> <p>Describe the different sources of energy</p>	<p>SOLVE the following problems</p> <p>1-You have 6 pens to share amongst your 3 friends equally, how many pens will each of them have? 2-peter has 20 sweets to share equally amongst his 4 junior brothers, how many sweets will each of his brothers receive</p> <p>Define and draw a parallel line</p> <p>State 4 thing to do to keep your environment clean</p> <p>Name and give examples of 2 two sources of energy</p>
	COMPETENCE 3	<p>Reasons for deforestation</p> <p>Reasons for going to school</p>	<p>What is deforestation? State 4 reasons for deforestation</p> <p>Give 4 reasons why you go to school</p>
	COMPETENCE 4	<p>Types of vegetables</p> <p>Importance of balance</p>	<p>List 4 types of vegetables</p> <p>What is a balance diet?</p>

		diet	List 3 importance of a balance diet
		Various pest and parasites of crops	Name 2 pest and 2 parasites that destroy crops
	COMPETENCE 5	Respect the rules of communication	State 3 rules involved in communication
	COMPETENCE 6		

WEEK 3	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	<p>Use common and proper nouns correctly</p> <p>Write words with the correct articles</p> <p>Build words with sound "ame"</p> <p>Explain the mode of prevention of contagious diseases</p>	<p>Copy the sentences, then underline common nouns and circle proper nouns</p> <p>1-Douala is a very hot town</p> <p>2- Mary is eating an apple</p> <p>3-On Monday I will clean the chairs</p> <p>Write 5 elements found in each of the following places with their correct articles</p> <p>1- At home</p> <p>2- In school</p> <p>Build 5 words with the sound "ame "</p> <p>Say 4 ways by which we can prevent contagious diseases</p>
	COMPETENCE 2	<p>Multiply and divide money</p> <p>Preventing hazards in the environment</p> <p>Electrical machines</p>	<p>Solve the following problems</p> <p>1-Ash has 1000frs and he has to share between 4 people, how much will each person have?</p> <p>2-david gave 300frs to his 3 sisters, how much did he spend?</p> <p>Name to environmental hazards and give one reason how it and be prevented</p> <p>State 5 electrical</p>

		found in the locality	machines at home
	COMPETENCE 3	Describe how to make an unfertile soil fertile Recognise national and international institutions that exist in school	List 3 ways we can use to make a soil fertile List 2 national and one international institution that exist for schools
	COMPETENCE 4	Plant trees and flowers Take care of vegetables	Say how we plant a trees and a flower List two things to do to take care of vegetables
	COMPETENCE 5	Choose the right information	
	COMPETENCE 6		

MONTH OF MARCH 2020 HEALTH

WEEK 1	COMPETENCES	OBJECTIVES	QUESTION
	COMPETENCE 1	Write a letter to a friend Build words with sound "ple" Use letters of the AGLC to produce syllable and words in national language	Write a letter to a friend telling him or her how you felt when sick Build 5 words with the sound "ple" Construct 5 words in your national language using the letters of the AGLC
	COMPETENCE 2	Set and logic use mathematical symbols to solve problems Carry out calculations involving more than one operation Collect data from the class	Here are some sets A=(1,2,4,10,9) B=(6, 4, 12) C=(3, 2, 4,7,5) Find AnB AuBuC AnC AuB BnC AnBnC SOLVE THE FOLLOWING PROBLEMS 1)5+5-5 2)6-5+3 3)18-5-6 4)1+10+2-13 Collect data of the number of girls and boys having 2 pens in your class

		Understand causes of burns	What is a burn? List 3 possible causes of burns
		Understand the different classes of food for bone build up	List 2 classes of food that help in the build-up of body bones
		Prevention of hazards in the environment	Name 2 environmental hazards and list the way by which they can be prevented
	COMPETENCE 3	Identify some Cameroon historical figures and contributions to the pacification of Cameroon	Name 5 figures in the history of Cameroon and their contribution
		State different animals uses and product	Name 4 animals and say their use and product
		Propose clear solutions to peace	List 3 solutions to promote peace
	COMPETENCE 4	Care for plants and crops	List 3 things to do to care for crops
		Using agricultural tools	Name 4 agricultural tools and state their use
	COMPETENCE 5	Create a slide by inserting photos	Describe how to create a photo slide on a computer
	COMPETENCE 6	Identify materials used in the production of ceramics	List 3 materials used in the production of ceramics

WEEK 2	COMPETENCE	OBJECTIVE	QUESTION
	COMPETENCE 1	Question writing and tags	For each of the following words form a question using the correct punctuations " what, who, where how, which"
		Write a dialogue	Write a dialogue of you and your friend, talking about your favourite meal
		Build words with sound "ght"	Build 5 words with the sound "ght"
		Interpret traditional games	List 4 traditional games

	COMPETENCE 2	Share items correctly Parallel lines Understand drug abuse Use tap and water systems toilets Differentiate harmful drugs from useful ones	Solve the following problems 1-Diner has 8 pens .she shares the pens amongst 4 friends how many pens will each person have? 2-John has 40 rulers to share in his class of 20 students how much each student have What is a parallel line? Draw 2 sets of parallel line moving at different directions What is drug abuse? State 3 things to do when using a tap and water system toilet What are harmful drugs? Name 2 examples What are useful drugs? Name 2 examples
	COMPETENCE 3	The nation Cameroon and the origin of its name Explain how the German annexed Cameroon State the obligations and responsibilities of a child towards the state	Name in a chronological manner the names given to Cameroon by the European country and precise each European country Describe how Germany annexed Cameroon State 2 obligations and 2 responsibilities of a child toward the state
	COMPETENCE 4	Prepare the soil for planting	List 2 things we do to prepare the floor for planting
	COMPETENCE 5	Identify the different applications of the internet	Name 3 applications we can use to connect to the internet
	COMPETENCE 6	Identify the roles of each player on the field	State on role of each player on the football field according to their various positions

WEEK 3	COMPETENCE	OBJECTIVE	QUESTION
	COMPETENCE 1	Roots of suffixes and	Change this verbs to

		<p>meaning of words formed</p> <p>Sound "ch" and "sh"</p>	<p>nouns by adding a suffix "-er, -or, ar"</p> <p>1-Beg 2-Act 3-Charge 4-Writer</p> <p>Build 5 words with the sound "ch" and "sh"</p>
	COMPETENCE 2	<p>Adding and subtracting of masses</p> <p>Represent data using pictures</p> <p>HIV and AIDS definition, source and prevention</p> <p>Causes and prevention of pollutions</p> <p>Describe ways of plumbing</p>	<p>Add or subtract the following masses in your</p> <p>1)2kg 550g+250g 2)5kg 350g-2kg 150g 3)7kg 800g-5kg 275g</p> <p>Mary bought 4 apple, 5 bananas, 5 oranges,7 mangoes. Represent this information using the pictures or drawings of the different fruits</p> <p>What is HIV and AIDS? How can it be contracted? List 3 ways by which it can be prevented</p> <p>List 4 causes of water pollution List 4 ways by which it can be prevented</p> <p>Describe one way of plumbing</p>
	COMPETENCE 3	<p>Define some physical features in the environment</p> <p>State the importance of national parks</p> <p>National symbols and meaning</p>	<p>Name 3 physical features you know</p> <p>Give 4 reasons for having national parks</p> <p>Name 3 national symbols of your country Cameroon and their meaning</p>
	COMPETENCE 4	<p>Clean animal cage</p> <p>Describe the importance of pictures</p>	<p>Describe how to clean a cage of a bird</p> <p>List 3 importance of pictures</p>
	COMPETENCE 5	<p>Identify and use search engines</p>	<p>Name 3 search engines you know</p>
	COMPETENCE 6	<p>State the rules of the game</p>	<p>State 5 rules to respect during a football match</p>

MONTH OF APRIL 2020 GAMES

WEEK 1	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	<p>Letter writing</p> <p>Present perfect tense</p> <p>Indirect and direct speech</p>	<p>Write a letter to your friend telling him or her the rule of a game of your choice</p> <p>Write 5 sentences in the present perfect tense</p> <p>Change the indirect speech to direct speech</p> <p>1-John said he has typhoid</p> <p>2-Manu said he is handsome</p> <p>3-peter said he hungry</p>
	COMPETENCE 2	<p>Construct and use the multiplication table for 6 and 7</p> <p>Multiply fractions by fractions</p> <p>Convert kilograms to grams</p> <p>Determine the LCM of two or more numbers</p> <p>Understanding different types of pollutions in the environment</p>	<p>Construct the multiplication table for 6 and 7</p> <p>Read the masses in kg and convert to grams</p> <p>1- 8kg</p> <p>2- 20kg</p> <p>3- 14kg</p> <p>4- 15kg</p> <p>5- 30kg</p> <p>Read the numbers below and find the least common multiple</p> <p>1- 8 and 24</p> <p>2- 12 and 72</p> <p>3- 15 and 30</p> <p>4- 12 and 42</p> <p>Name 3 types of pollutions and one ways to stop each</p>
	COMPETENCE 3	The administrative set up of a region	Describe the administrative set up a region
	COMPETENCE 4	Describe the importance of an architect	List 3 importance of and architect
	COMPETENCE 5	Create email address	Describe the process used to create and email address
	COMPETENCE 6	Write short sketch	Write a sketch titled

			"peace in the country"
--	--	--	------------------------

WEEK 2	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	Use possessive pronouns The sound "ear"	Complete each sentence with a possessive pronoun "yours, mine, theirs, his, ours, hers" 1-that book is for mary.it is..... 2-i have 3 pens .they are.....3 3-that is our bed. It is.... 4-they have a ball. It is
	COMPETENCE 2	Construct and use multiplication table of 8 and 9 Add and subtract lengths Draw circle using pair of compass Explain the consequences of wrong use of electric devices Give consequences of drug abuse	Construct the multiplication table of 8 and 9 Add or subtract the following lengths 1- 1m+11cm 2- 5m+46cm 3- 20cm+12cm 4- 1112cm-910cm 5- 40km 20m-19km Draw a circle using a compass and cut it List 4 effects of using and electric device wrongly List 4 consequences of drug abuse
	COMPETENCE 3	Give consequences of erosion Identify the different means of transport State advantages and disadvantages of means of transport Making right decisions	What is erosion? List 4 consequences of erosion List 4 means of transport List 1 advantage and 1 disadvantage of each means of transport Say 2 importance of making right decisions
	COMPETENCE 4	Identify materials use by architects	List 4 materials use by an architect

	COMPETENCE 5	Communicate by email	
	COMPETENCE 6	Identify rules of players in the field	Say the rules of each player on the basketball field

WEEK 3	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	<p>Use interrogative pronouns</p> <p>Use adverbs</p> <p>Sound "ou" and "ow"</p>	<p>Copy and complete each sentence with an adverb of manner "easily, carefully, loudly, slowly, quickly</p> <p>1-He shouted.....over the noise</p> <p>2-If we work hard in school we can pass our exams</p> <p>3-He was hurrying so he drove</p> <p>4-Mom told me to carry the baby..... so as to not hurt him</p> <p>Build 5 words with the sound "ou "and "ow"</p>
	COMPETENCE 2	<p>Arabic and roman numerals</p> <p>Multiplying and dividing lengths</p> <p>Useful and harmful drugs effects</p>	<p>Match the following Arabic numerals to their roman form</p> <p>50 L</p> <p>300 C</p> <p>70 CCC</p> <p>100 LXX</p> <p>15 xv</p> <p>MULTIPLY OR DIVIDE THE FOLLOWING LENGTHS</p> <p>1- 4m 8cmX2</p> <p>2- 6m 9cmX5</p> <p>3- 1700mm/100</p> <p>4- 925cm/25</p> <p>What are harmful drugs and useful drugs? Give an example of each</p>
	COMPETENCE 3	<p>Those who collaborated with the Germans those who resisted</p> <p>Explain the function of the state authority</p>	<p>Name two historical figures who collaborated with the Germans and 2 who resisted the Germans</p> <p>List 3 functions of the state authority</p>
	COMPETENCE 4		
	COMPETENCE 5	Identify viruses and	Name 4 types of germs

		determine their effects	Describe how germs affect the body
	COMPETENCE 6	Express feelings through writing	Write in one paragraph how you feel when you are sick

MONTH OF MAY 2020 COMMUNICATION

WEEK 1	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	Use articles Build words with the sound "ame"	Complete the blank spaces with the correct article "the, an, a" 1-the boy has.....egg 2-look atsun it l shining 3-Mr Paul boughtnew car Build 5 words with the sound "ame"
	COMPETENCE 2	Add fractions with different denominators Calculating the areas and perimeters of rectangles and squares Drawing and naming shapes Describe how telecommunication tools function	Solve the following problems 1)calculate the area and perimeter of a rectangle whose width is 14cm and length 24cm 2) calculate the area and perimeter of a rectangle whose width is 6cm and length 12cm 3) calculate the area and perimeter of a square with side 9cm Draw the following shapes and write their names under 1-parallelogram 2-quadrilateral 3-pentagon 4-hexagon What are telecommunication tools? Name 3 telecommunication tools and say how the function

		Take care of wood	List 3 things to do to keep your wood good
	COMPETENCE 3	Causes of the second world war Countries that took part in the second world war Divisions and their headquarters Protect against child trafficking	List 3 causes of the second world war Name the countries that took part in the second world war List 5 divisions of Yaoundé and their headquarters What is child trafficking? List 3 things to do to protect yourself against child trafficking
	COMPETENCE 4	Record events through photography	What device can we use to make photography
	COMPETENCE 5	Add animation to the created slides	Create a slide and add animations of your choice to make it attractive
	COMPETENCE 6	Write a poem	Write a poem on your family

WEEK 2	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	Create words having consonant clusters	Build 5 words having consonant clusters
	COMPETENCE 2	Change from decimeters to meters Find the missing number Subtraction of mixed fractions Identify different types of insects in the locality	Read the following lengths in dm and convert to m 1- 20dm 2- 400dm 3- 216dm 4- 332dm 5- 222dm Write the missing number 1- $2X \dots = 12$ 2- $13 - \dots = 5$ 3- $99 - \dots = 45$ 4- $\dots \times 8 = 24$ 5- $65 + \dots = 80$ What are harmful and useful insects? Give 3 examples of harmful insects and 3

			examples of useful insects
	COMPETENCE 3	Give the effects of the second world war Identify different races in Africa Protect yourself against drug and sexual abuse	State 3 effects of the second world war Name 5 races in Africa Say 3 things to do to protect you self against sexual abuse
	COMPETENCE 4	Respect the use of various sections of the home	Name the different parts of the house and their uses
	COMPETENCE 5	Fight against computer viruses	List 3 things you can do to fight against computer viruses
	COMPETENCE 6	Draw a house and paint	Draw a house and paint it

WEEK 3	COMPETENCES	OBJECTIVE	QUESTION
	COMPETENCE 1	Read a letter Construct words having consonant clusters	Write a letter to your friend telling him or her how you will spend your holidays ,then read it aloud Build 5 words having the consonant clusters "cl" and "cr"
	COMPETENCE 2	Change from centimeters to decimeters Convert from kilometers to meters Represent information in a bar graph	Read the following lengths and convert cm to dm 1) 18cm 2) 20cm 3) 250cm 4) 471cm 5) 500cm Read the following lengths and convert km to m 1) 76km 2) 85km 3) 340km 4) 475km 5) 120km A mayor of a certain village sets out to count the number of houses in some quarters. Represent this information on a

			<p>bar graph</p> <table border="1"> <thead> <tr> <th>Village</th> <th>Houses</th> </tr> </thead> <tbody> <tr> <td>A</td> <td>7</td> </tr> <tr> <td>B</td> <td>6</td> </tr> <tr> <td>C</td> <td>10</td> </tr> <tr> <td>D</td> <td>9</td> </tr> </tbody> </table> <p>Write numbers in roman numerals up to 5000</p> <p>Write the following numbers in roman numerals</p> <ol style="list-style-type: none"> 1) 85 2) 5500 3) 4000 4) 4550 5) 450 <p>Find the length and width of rectangle</p> <p>SOLVE THE FOLLOWING PROBLEMS</p> <p>1-the area of a rectangle is 36cm and width 6cm find the length</p> <p>the area of a rectangle is 40cm and length is 8cm find the width</p> <p>Reducing fractions to their lowest terms</p> <p>Explain the ways of generating electricity in the environment</p> <p>Use of manual tools</p> <p>What is electricity? Describe one way of generating electricity</p> <p>Name 5 manual tools and their uses</p>	Village	Houses	A	7	B	6	C	10	D	9
Village	Houses												
A	7												
B	6												
C	10												
D	9												
	COMPETENCE 3	<p>Countries that share bounders with Cameroon</p> <p>Explain the different types of elections</p> <p>Identify the types of waste and the effect</p>	<p>Name 3 countries that share the boulder with Cameroon</p> <p>Name 3 types of elections</p> <p>What is waste? Name 2 types of waste</p>										
	COMPETENCE 4	Fold paper to produce variety of objects	Produce a plane and a boat by folding papers										
	COMPETENCE 5	Draw charts in Excel											
	COMPETENCE 6	Play musical instrument	Name 4 modern musical instruments										

WEEK ONE

C1A-write 5 words with the « bl » and « pl » sound

- Spelling : bless, teacher ,farm, place , blue, plant
- how many seasons are there in Cameroon ?

- How can you greet politely ?

-when do we use the apostrophe ‘s

-change this sentence onto the present simple tense :

- my mother is cooking

)

°in the following passage circle the common nouns and underline

The proper nouns

Mr. George has a farm full of animals

Our school is located in Nkozoa village

We will be travelling to Douala with our dog

My mother has many dishes in her kitchen

Competence &1c

The nuclear family is made up of

Competence 2a

When do we use the sign equivalent!

Add the following,

54740+68537 =

Competence 2A

Use the strategy of from whole to parts on the body

Draw the strategy of compare and contrast on the kitchen and the toilet

Competence 3A

Why do we study Geography

What is History

Name three sources of history

Competence 3B

Give 4 rules and regulations of the school

Competence 4

What are the uses of a cutlass and a hoe

Competence 5

Name 4 modern ICT tools and explain how they are used

Week 2

Competence A/B

Change this sentence into the present simple tense

I am going to school

Put this statement into a question

My mother is in the house

Sort out the words with the “ea” sound

Spell words with the “br” and the “pr” sounds and read

Give the contracted form of the “ we are”

Who are the actors of this text?, what is the text talking about and what have you learned from the text

Competence 1c

Give the polite ways of greeting and a polite way to ask for a favour

Competence 2A

What do you understand by intersection?

Write the following numbers in to words 1463,10578

Competence 2B

Give the functions of the various parts of the body

What are the characteristics of living things

Which are the different types of toilets found in our environment

Competence 3A

Name three weather instruments and their functions

Competence 3B

Name the different parts of the home

Name some rules and regulations your parents give you at home

Competence 4

How can we care for the different parts of the home?

What are the uses of a room?

Competence 5

How important are the ICT tools

Give some of the uses of ICT tools

Competence 6B

Who is Jesus?

WEEK 3

Competence 1A/B

What can you see in the picture?

Give the meaning of the following words bright, price ,cruel ,grant, click, plus

Construct sentences with the following words;

Ear, hear, pear, dear, sea,

Name five words that has the "a" sound

Use "the" or "an" to fill in the black spaces

I have Umbrella

..... Teacher is writing

Change the following words into the present continuous tense

Write, dance, do, sit mop, eat

Circle words with the "b" sound and underline those with the "g" sound

Give the synonyms of the following words: bad, happy, pretty, child, girl , boy, woman

What is a noun?

Give the plural of the following words

Dish, watch, girl, baby, leaf, man

Competence 1C

Compare and contrast a kitchen and a sitting room

Competence 2A

Place the following under TH, H, T ,U

What do you understand by intersection?

Write down the intersection of the following;

$A = \{12,4,6,8\}$, $B = \{1,3,5,6,7,9\}$. $A \cap B =$

What is a set? What is a subset? What is an intersection?

COMPETENCE 3A

Which are the different places that we can get water from?

How can we purify water in order to make it good for human consumption?

Competence 3A

Give three rights of children

Competence 4

How can we care for our equipments at home?

What are the uses of a broom and a rag

Competence 5

How has technology helped US

Name the different parts of the computer

Competence 6B

THE VILLAGE AND TOWN

Competence 1 A/B

WEEK 1

What have you understood from the story told?

What time is it?

What is an adjective? Give examples of adjectives

What have you understood from the passage?

Differentiate between countable and uncountable nouns
What have you understood from the story you have just read
Give the meaning of the following words,
Fill in the blank spaces with the following prepositions;
Under, in, front, on, in, at, with, over, behind
Name five words with the sound "ame"

Competence 1C

Give the different types of houses that we have in our society

Competence 2A

Arrange under TH, H, T, U and Subtract the following figures with borrowing
A, 7306 -- 2758 b, 9104—4756

COMPETENCE 2B

What are germs, what are the causes of germs

COMPETENCE 3A

How did man evolve?

COMPETENCE 3B

State the national emblems of Cameroon

COMPETENCE 4

Which are the different types of food the pig use to eat?

How can you conserve your food, give the different ways food can be conserved

COMPETENCE 5

Name some of the dangers of I.C.T tools

COMPETENCE 6B

Draw a mind map on the holy family of the church

WEEK 2

COMPETENCE 1A/B

Put the following in the contracted form in the present, past and future tense:

I am-----

She is-----

We are-----

Read this short text and answer the questions that follows:

What is the text talking about?

Who are the people in the text?

Put the words in the brackets into the past tense

I _____ to school yesterday (go)

My mother _____ water fufu error yesterday (cook)

Complete the following with "ao" and "or" sound to give correct words

B__t

W__d

Competence 1C

Name some objects found at home

Competence 2A

Multiply the following:

6432X23=, 4790X20=

Give the place value of 7 in the figure 37902.

Give even numbers between 13 and 45

Give odd numbers between 20 and 36

Competence 2B

Where are the long bones found?

Name some minerals used for building up bones

Competence 3A

Cameroon

Identify the different types of vegetation of Cameroon

Give their location

Competence 3B

When do we sing the national Anthem?

Competence 4

How do we set the table?

Give the appropriate eating manner

How can you take care of an animal cage?

Name the tools of a weaver

Competence 5

Who created the first computer?

Competence 6A

Name the types of runs you know

WEEK 3

COMPENCE 1A/B

Match the following words to their meanings

Words meaning

Flood°°to go further down

River°°to take the place of something

Higher°° overflow of water on land

Deeper°°a large natural stream of water

Replace °°far above ground

Fill in the blacks with the following adjectives

Short, big, dirty, long, fast

Our classroom is _____

Conjugate the verb "to be" in the simple present tense

Name five words with the "spr" sound

Put the following positive sentence into negative sentences

It is raining

She is coughing

Competence 1C

What are the duties of the chief of your village?

Competence 2A

Convert the cm to m following in to

16CM

40CM

485CM

Give the multiples of the following;6,7,4

Give the factors of the following:30, 15, 40

Set A =(a, b, c, d, e) set B= (a, e, l, o ,u) $A \cap B =$

Change the following figures from M to Dm

6M, 15M

Use your pencils, rulers, and a protractor to draw and measure the following

60°, 120°

Competence 2B

Draw a mind map on diseases and prevention

Competence 3A

Name three weather instruments and their uses

Which are the clouds that bring rain?

Competence 3B

Describe the administrative set up Cameroon

What are the duties of the S, D, O

Competence 4

Name the materials use for laundry

Competence 5

How can we take care of our ICT tools?

COMPETENCE 6A

Which are some of the rules to following before jumping over an obstacle?

COMPETENCE 6B

Who baptized Jesus?

WEEK 1

COMPETENCE 1A/B

Fill in the blanks with the missing adjectives

Big (_____) biggest

Give the synonyms of the following words:

Boy _____

Girl _____

Purchase _____

Look for the meaning of the following words in the dictionary:

Sort, port, cork, fox, coat, toad

Describe your school

Read and interpret this picture to the class

Give five words with the "str" sound

Competence 1C

How do they call a house in your dialect or mother tongue?

Competence 2A

Add the following numbers

2794+6495 8204+3749

Convert the following CM to dm

2000CM 4850CM

Provide the names to the following shapes

Competence 2B

What are germs?

Give four types of diseases you know

Competence 3A

Which are some of the rules you must follow in school?

Competence 4

Competence which are the different types of meals of the day?

What do you understand by seed?

Competence 5

How can we create a file in a computer?

Competence 6A

Explain the different postures you must take before you start a run

Competence 6B

WEEK 2

Competence A/B

What have you understood from the text you have just read?

Give the comparative and superlative of the following adjectives

Beautiful, happy, dirty, bad big

Match the following words to their correct meaning

Usually* * length of time

Period* *most of the time

Construct five sentence in the present continuous tense

Complete the blanks spaces using the "dle" and the "tle" sounds

Can _____ ta _____

Competence 1C

How do they greet in your dialect and how do they response?

COMPENCE 2A

Use the signs greater than or less than in the blanks

4 _____ 8 9 _____ 3

Give the place value of the following figures

50497, place value of "0" =

Place value of figure "5" =

Draw a clock face and indicate the following time

12: 45 9:15

COMPETENCE 2B

Give 4 ways we can prevent germs

Competence 3A

What do you understand by migration?

Why do people migrate? Or draw a mind map to show the reason why people migrate

Competence 3B

Who is the ruler of a village and what are his duties?

COMPETENCE 4

How can we take care of our crops?

What are the uses of animals?

Competence 6A

What are the rules to follow when playing a game of handball?
